

Pre School Room

3-5 years

Ratio 1:8

Pre school children will experience a child centred environment, following the 'curriculum 3-5', encouraging them to become independent learners whilst boosting self-esteem. Experienced and qualified staff will observe your child's development and plan play opportunities in line with your child's interests and development needs. Jacqui Crush, Managing Director, is a qualified Primary Teacher and oversees the curriculum to ensure that each child becomes a confident, independent learner, ready to start primary school.
